

Document 1: The Founder Collaboration Agreement (MOU)

This is your most important internal document. It ensures you and your CTO are legally aligned before you spend a single dollar on incorporation.

FOUNDER COLLABORATION AGREEMENT

Project Name: OptiqAI PhotonPilot

Effective Date: February 9, 2026

1. THE PARTIES This Agreement is entered into by **[Your Full Name]** ("CEO") and **[CTO Full Name]** ("CTO"), collectively referred to as the "Founders."

2. EQUITY & VESTING * Ownership Split: The Founders agree to an initial equity distribution of **51% for the CEO** and **49% for the CTO**.

- **Vesting Schedule:** Shares shall vest over a **48-month period** (4 years) with a **12-month cliff**. No shares shall vest until the one-year anniversary of the company's formation.
- **Acceleration:** Upon a "Change of Control" (Acquisition), 100% of unvested shares shall accelerate and vest immediately.

3. ROLES & RESPONSIBILITIES * CEO: Lead fundraising, business strategy, legal/visa compliance, and global partnerships (EU/India/US).

- **CTO:** Lead technical architecture, AI surrogate model development, and foundry integration (GDSII).

4. INTELLECTUAL PROPERTY (IP) ASSIGNMENT The Founders agree that all ideas, code, models, and data related to OptiqAI created prior to or after this date are the sole property of the Company. Founders hereby grant and assign all right, title, and interest in such IP to the Company upon its formal incorporation.

5. DECISION MAKING * Business Decisions: The CEO holds the final tie-breaking vote for fundraising, hiring, and strategy.

- **Technical Decisions:** The CTO holds the final tie-breaking vote for software architecture and physics-validation methods.
